

CERTIFICATE ZERTIFIKAT CERTIFICADO

We herewith confirm that

Klaus Böcker GmbH

Factory ID: 20

Buxtehude | GERMANY

participates in the Voluntary Control System (VCS) of the SGF International e. V.

As trader/broker in the VCS, the company supports the International Raw Material Assurance (IRMA) by committing itself to comply with the rules of the control system and in particular by:

Trading goods of known origin only

VCS traders/brokers deal with goods of known origin only following a code of honor.

Labelling VCS goods

VCS system goods are indicated as such in all offers and delivery documents. System goods are produced by a certified VCS participant according to the Implementing Provisions of the VCS and in compliance with all control system's rules or goods from non-VCS-participants with presentation of a quality test and availability of all components.

Evidencing the producer

Providing information about the producer of the traded semi-finished goods (fruit processor) to the customer or, in case of "source protection", to the SGF International e. V.

Guaranteeing full documentation

A guarantee that for all traded semi-finished goods from non-VCS-participants, in particular for blended goods:

- ▶ a complete and correct documentation of the formulation and all components is available,
- ▶ retained samples of all components used are available
- ▶ an analytical quality test according to the Implementing Provisions has been conducted.

SGF International e. V. has checked the compliance with the above mentioned self-commitment.
